## ***National River Cleanup Week at Cross Ranch State Park***

As a part of National River Cleanup Week, Cross Ranch State Park is looking for volunteers to help clean up along the Missouri River on Saturday, May 21, from 2-4 p.m. (CDT). Volunteers should meet at the Sanger Campground boat landing. Refreshments will be served and garbage bags will be provided. Participants need to bring gloves and dress for working outside.

National River Cleanup Week is a volunteer event that was started by America Outdoors® in 1991. America Outdoors'® mission is the conservation and enhancement of quality outdoor experiences on America's lands and waters. This non-profit organization represents the outfitting industry and the general public by helping maintain the access to recreation resources through the shared use of the country's natural heritage. Due to careless disposal of trash and litter, volunteer help is appreciated in helping clean up America's streams and rivers.

Cross Ranch is located between Center and Washburn, along the Missouri River. For additional information, call Cross Ranch State Park (701)794-3731.
